To sign book, put your hands together, palm-to-palm. Then keeping your pinkies together, open up your hands as if opening up a book. That book-opening motion is often difficult for babies, so you will see this approximated as the end of the sign with the hands apart. Or sometimes, it will just be the start of the sign, like the hands together.

HELLO, MY NAME JOHN. NICE MEET YOU. I STUDENT, UNIVERSITY, STUDY COMPUTER SCIENCE. I ENJOY TECHNOLOGY, LIKE LEARN NEW THINGS ABOUT COMPUTER AND AI. YESTERDAY BUS LATE, I WAIT ONE HOUR, FEEL FRUSTRATED. TODAY WEATHER GOOD, SUNNY, LITTLE WIND, NO RAIN. LUNCH I EAT RICE AND CHICKEN WITH FRIEND. AFTERNOON I HAVE CLASS, TEACHER GIVE HOMEWORK PROJECT. THIS WEEKEND I PLAN VISIT FAMILY, STAY TWO DAYS, HELP MOTHER, TALK WITH BROTHER. NEXT WEEK EXAM COMING, I MUST STUDY
